

# WARRANTY

## Product Warranty- 10 Years

This warranty is non-transferable and is valid from the date of purchase, for as long as the product is owned by the initial purchaser. This warranty covers defects in the material and craftsmanship found during normal usage of the product during the warranty period. If a purchaser has a warranty claim, the buyer must return the product to Obex at purchaser's expense. Obex will then inspect the product and, in Obex's sole discretion, determine if it is defective. If Obex determines the product is defective and if written notice was properly given to Obex within the applicable warranty period, Obex will, at its option, either repair or replace the defective product with a comparable product or component. This warranty applies to all products except as noted below.

High wear parts, such as fabrics are warranted for one (1) year. This warranty does not apply to damage caused by a carrier or alteration to the product not expressly authorized by Obex.

## Warranty Exceptions

- ◆ Matching of colors
- ◆ Changes in surface finish due to aging or exposure to light
- ◆ Damage from sharp objects or prolonged exposure to fluids or sun
- ◆ Damage caused by misuse or improper care

Obex does not guarantee the matching of colors except to within commercially reasonable standards.

A product will not be considered defective and Obex will not be obligated to replace it, if it not installed in a proper manner (i.e. not secured properly or the way it was intended). Obex reserves the right to make a warranty determination based on purchaser's installation methods.

Except as noted above, Obex makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Obex's option, product repair and/or replacement are the customer's exclusive remedy for any and all product defects.

**To the extent allowed by applicable law, no other warranties are made, either expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose.**
